Format for this Session

- We'll outline what we see as a trend
- We'll give some comments to flesh out the trend
- We'll ask you to tell us:
 - What your experience is?
 - What we've missed?
 - What else you want to know?

First Trend

Centralised Operations in Operations

Second Trend

Transitioning between Offshore Sectors

A photograph of an offshore wind turbine maintenance platform at sunset. The platform is a complex steel structure with cranes and ladders, supported by several vertical legs. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water. The sky is a pale blue. The text 'Third Trend' is in red and 'Zero Personnel Offshore' is in blue, both centered over the image.

Third Trend

Zero Personnel Offshore
